

## ACCESSING VERIZON EMAIL AND FORUMS WITH GOOGLE CHROME

Using:

Google Chrome Version : 38.0.2125.104m

Windows 7 Professional

Have this icon on my desk

[https://mail.verizon.com/webmail/driver?nimlet=showmessages&view=emails#mail\\_Emails\\_INBOX](https://mail.verizon.com/webmail/driver?nimlet=showmessages&view=emails#mail_Emails_INBOX)

When I click on it it goes directly to my Email Inbox

Also have this icon on my desk

<http://forums.verizon.com/>

When I click sign in it goes here

[https://www.verizon.com/content/sso/signin.aspx?goto=http%3A%2F%2Fforums.verizon.com%3A80%2Fvrzn%2Fvrzn\\_sso%3Fpreferer%3Dhttp%253A%252F%252Fforums.verizon.com%252F](https://www.verizon.com/content/sso/signin.aspx?goto=http%3A%2F%2Fforums.verizon.com%3A80%2Fvrzn%2Fvrzn_sso%3Fpreferer%3Dhttp%253A%252F%252Fforums.verizon.com%252F)

I sign in with my residential info and it keeps me logged in for 2 weeks

It does so,as long as I don't COMPLETELY sign out
